DETAILED ACTION

Allowable Subject Matter

1. Claims 1-11 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art cited does not disclose the following:
 - A motor vehicle headlamp comprising a light source for generating light, a mirror possessing first and second focal regions and converging lens, the source being placed in the first focal region and the lens having a focus located in the second focal region, the mirror and the lens having axes which are essentially coincident defining an optical axis of the headlamp, and the headlamp further including a mask located in the region of the focus of the lens, in order this to project a beam having an upper cut-off defined by the mask, and the mirror having at least a first area for concentrating the light in the vertical direction, towards a vertical focusing baseline extending substantially horizontally and transversely to the optical axis and passing close to the focus of the lens, wherein the mirror further comprises **at least one corrected vertical focusing area for concentrating the light, in the vertical direction, towards a second vertical focusing baseline separate from the vertical focusing baseline in the axial direction,** in order thus to increase a width of the light reflected by the first area along the optical axis..

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
